

VERIZON SURERESPONSE™

# PEACE OF MIND — AT HOME AND ON THE GO

With Verizon SureResponse personal emergency response service, you and your family can feel confident and secure knowing help is just a call away

The SureResponse™ device is stylish, compact, and water resistant. It is ideal for any lifestyle and any life scenario. It has a display to view time, a built-in speakerphone and up to one week of standby battery life between charges. It's easy to use on the go with the included wrist strap, belt clip, lanyard (for wearing as a pendant), and travel charger.

- + Personalized emergency service 24 hours a day with the touch of a button.
- + SureResponse Care Agents can access your location and personal information by GPS.<sup>1</sup>
- + The security of knowing your SureResponse device is always connected to America's most reliable high-speed wireless network.
- + Quickly connect with your local emergency responders, loved ones, local businesses, and more.
- + Customizing your authorized contacts, personal history, and location information is simple.

Plus, these accessories and more are included when you purchase the device
